CATS AND SUPERSTITIONS

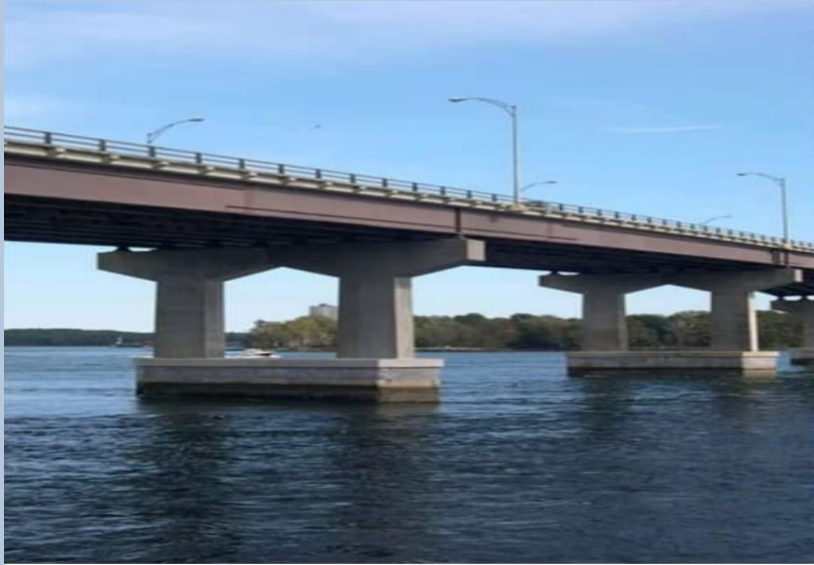

Have you ever thought???

Oh my god!

we throw coins in to the river,
do you know the reason behind this superstition??

If a lizard falls,
we will feel it as a bad sign
Is it correct??

After attending a funeral,
we take a bath.
We follow it as a
superstition ,the science
behind this is.....

Do you know why we
are not allowed to cut
the nails at night
time ??

Our elders always say that we should sleep on the south side and not sleep on the north side.
Do you know the reason for this???
